

sonic rider™

BLUETOOTH® IN-CAR SPEAKERPHONE

The road is calling. Hear it loud and clear.

Give your wheel a hand with the Motorola Sonic Rider™ Bluetooth® in-car speakerphone. A simple solution for driving responsibly, Sonic Rider™ lets you give voice commands to make and take calls and send text messages hands-free. Hear more of your call and less of the road through the powerful 2-watt speaker with echo and noise reduction. Voice prompts tell you when you're connected, muted, or low on battery. And with 45 hours of talk time and five months on standby, you battery will last on even the longest road trips.

SPECS

Powerful 2-Watt Speaker

Up to 45 Hours of Talk Time¹

Multipoint Connectivity

Bluetooth® Compatible²

Sonic Rider™ Bluetooth® In-Car Speakerphone

Features

- Exceptional echo and noise reduction help block road sounds while a powerful 2-watt speaker allows you to hear everything loud and clear.
- A road-trip worthy battery gives you up to 45 hours of talk time and 5 months on standby.¹
- Manage your calls hands-free by using your voice to "answer" or "ignore" calls.
- Friendly audio prompts notify you about battery levels, announce callers by name, and much more.
- Easily switch between two devices with integrated multipoint technology.
- Compatible with most Bluetooth® enabled devices.²
