WIRELESS EARBUDS

Engineered for sound. Built for comfort.

You deserve to hear music in comfort, anywhere. That's why there's the Moto Surround wireless earbuds. With built-in aptX® technology, you get powerful HD sound. Plus, customizable sound profiles let you hear music just the way you like. They're designed with waterproof H2O Protection™, so you can wear them indoors or out in the rain without worry. Wherever you go, the contoured collar design is made to fit your body, so it hardly feels like you're wearing them at all. Go ahead, listen to music for up to 12 hours without interruption using your phone, tablet, or computer. Moto Surround. A better feel for music.
