The PRO630XL AM Unit is in a class of its own. Uniden's reliability and experience in AM makes this unit ideal for the professional who needs to keep in touch with the outside world. The PRO630XL offers the finest components, engineering and styling, just what you would expect from Uniden.

The PRO630XL has a front fire speaker mounted at the front of the unit for better sound clarity. Also located on the PRO630XL is a Rear MIC Jack located at the back panel for discrete connection of the standard speaker microphone.

The keypad and LCD display is backlit orange for extra easy viewing at night or in low light situations. When it comes to 27MHz CB radios you can not look past the PRO630XL for its reliability and excellence.

Suggested Retail: \$179.95
