Range Brochure PDF

Operating Manual PDF

The UH047sx-2 comes with two UH047sx UHF radios as well as a twin desktop charger and two speaker microphones.

The UH047sx-2 units have exceptional range in excess of 6+ Kilmometres. Featuring 1 Watt Power and D+ Booster which uses precision matched antennas to deliver superior range and enhance battery efficiencies compared to standard UHF systems. Featuring a compact and ergonomic design this is ideal for hikers and anyone wanting the complete UHF package with speaker microphones. Other features include 40 licence free channels, Range Extender (Duplex) Capability, and Long Life Super Switch giving you extended battery power. The UH047sx-2 also has DCS (Digital Coded Squelch) allowing you choose from 104 alternative digital codes that can be sent with your transmission. The digital code is recognised by the compatible receivers enabling them to receive or block unwanted conversations.

Designed in Japan to offer outstanding performance in virtually all conditions and situations. Uniden's UH047sx-2 is compact enough to take anywhere – walking, camping, or at work. With extended range and crystal clear sound, UH047sx-2 is the ultimate in wireless communications.

Suggested Retail: \$199
