## RANGE OVERVIEW

## SUPER BRIGHT FLOODLIGHT & SIREN

Deter, record, protect and scare off potential crime from your Property

7 Days Free Cloud Backup with Optional Longer Paid Plans available

## THERMO SENSE HEAT & MOVEMENT SENSOR DETECTION

Thermo Sense technology is a smart heat sensor that detects motion from people as opposed to movement from trees and false alarms. The Thermo Sense feature on Uniden security PIR cameras allows you to receive notifications from actual events giving you the ability to act quickly and call the police when needed.
