XS910

900MHz SCR Technology Cordless Telephone

PRINT this page

EMAIL a friend

Range Brochure PDF

Operating Manual PDF

This great value feature-packed cordless phone is one of the first to use 900MHz SCR Technology, exclusive to Uniden.

This new technology allows better signal clarity and range, while minimizing the chance of interference. A Super Chat Battery extends talk time to a long 10 hours. Maxi-Sound gives extra loud handset volume control, and the new Rocket Dial feature means that you can reach your VIP number with the touch of a single button.

The XS910 is available in Ivory and Silver.

Suggested Retail: \$49
